Before your visit

Booking your group visit

Group visits must be booked in advance. You can run your visit in one of the following ways.

• Self-guided visit

On a self-guided visit, you manage your own session as you wish.

To accompany you on your self-led visit you can download and print resources available on our [website](#)

• Museum-led session

In museum-led sessions, our staff lead 'hands-on' activities or performances specially written for children, young people and adult groups.

All sessions are now available to book online – please visit our website at <https://www.liverpoolmuseums.org.uk/learn/sessions> where you can filter between our venues. If you need further information, contact our bookings team at educationbookings@liverpoolmuseums.org.uk or call on 0151 478 4788.

Once you have booked you will receive a confirmation email with the details of your booking and links to all relevant information. **Please check your booking confirmation form to make sure the details are correct.** Please contact us if you do not receive email confirmation within two weeks of making your booking or if you have any queries. Please ensure that all staff on the trip have access to this information and know what to expect from their visit ahead of time.

Adult to student ratio

We recommend the following ratio of adults to students for self-guided visits, museum-led sessions may require smaller ratios, details of which will be listed within the workshop information:

- 1:6 Years 1-3
- 1:8 Years 4-6
- 1:10 Year 7+

In line with current DfE guidelines, we reserve the right to refuse entry when the level of adult supervision falls short of a ratio of 1:15. Bring as many adult helpers as possible and share your preparation with them so they can help your pupils better. Primary school pupils should always remain with an adult during the visit, pupils at Key Stage 3 and above can learn independently in our museums but school staff should remain close by.

The Management of Health and Safety at Work Regulations 1999 (amended) imposes an obligation on us to make suitable and sufficient assessments of the risks to health and safety in National Museums Liverpool workplaces and visitor areas. Accordingly, we have prepared the following risk assessment for the building your staff and children are visiting.
